

JOB POSTING – GEOLOGY TECHNICIAN

Donlin Gold is recruiting for Geology Technicians for one of the world's largest undeveloped gold deposits, owned and operated by Donlin Gold LLC, which is owned equally by affiliates of Barrick Gold and NOVAGOLD Resources. Donlin Gold is expected to be one of just a handful of gold mines worldwide that produces more than one million ounces of gold annually.

POSITION DESCRIPTION:

The successful candidates will assist the geology department with drill core sample handling and logging work. The position will support the diamond drill program for the upcoming field program anticipated to begin at the end of January and run through Fall 2022. The Geology Technicians will work at a fly-in-fly-out remote project site located in western Alaska. The rotation will be 2 weeks on and 2 weeks off, generally working 12-hour shifts.

KEY RESPONSIBILITIES:

- Comply with safety & health, environmental and Company policies and procedures.
- Assist geologists with drill core sample handling and logging.
- Receive drill core samples at camp, transfer them to logging facilities, clean, lay out and stack core, calculate core recovery and rock quality designation (RQD), measure sample density, ensure sample tagging and box labeling are correct and consistent, photograph core samples, and package core samples in preparation for cutting.
- Organize the core yard.
- Operate related equipment, if needed.
- Other duties as assigned by the geologists or camp operations.

EDUCATION AND EXPERIENCE:

- High School Diploma.
- Ability to work independently and within a team.
- Knowledge of Microsoft Office and Excel software preferred.
- Previous experience working in a remote exploration camp preferred.

While performing the duties of this job, employees may be frequently required to stand, walk, or sit for extended periods of time, use hand and fingers to handle or feel, reach with hands and arms, climb or balance, stoop, kneel, crouch, or crawl, regularly required to talk and hear. The employee must regularly lift and/or move up to 50 pounds and occasionally lift and/or move up to 75 pounds with assistance. Specific vision requirements for this position include close vision, distance vision, and the ability to adjust focus.

Success candidates are required to complete a post-offer background screening, physical and drug test. If you are interested in this exciting opportunity, please submit a resume and application to jobs@donlingold.com or mail to 2525 C Street, Suite 450 Anchorage, Alaska 99503 attention Human Resources.
