### **JOB TITLE:**

Assay Technician

### **COMPANY INFO:**

GBA Assaying & Refining is Alaska's leading precious metals dealer. Locally owned and operated for over fifteen years, we offer three locations statewide. Our company works one on one with local miners around Alaska to provide an array of services to ensure strong economic success. We offer a large variety of bullion and investment products for customers, operating year-round in Alaska.

### **JOB DESCRIPTION**

We are looking for an individual who has strong organizational skills, is self-motivated, and has high integrity. Our Assay Technician will be working in the shop smelting material, processing concentrates and completing client and industry orders. This job will also include front-end duties such as greeting customers and assisting them with their orders and purchases, answering phones, and other duties as assigned throughout the company. Experience is preferred but not necessary for this position, we will train our employees to become successful at GBA. Knowledge of Apple computer equipment and software, tools like an induction smelter and XRF analyzer, and math are great additions but not required.

### **BENEFITS**

- Starting salary \$16.50 + DOE
- Flexible schedule
- Training & Education

### **LOCATION**

This job is open at our Fairbanks office; 915 30th Ave. #111 Fairbanks, AK 99701

### **APPLICATION INFORMATION**

If you are interested in applying for this position please fill out a GBA Application for Employment and return the completed application with a copy of your Resume and Cover Letter to:

**915 30th Ave. #111 Fairbanks, AK 99701** or email to [info@gbarefining.com](mailto:info@gbarefining.com)

**In Person applicants please drop off Monday - Friday, 1pm - 3pm.**

Must be able to pass an extensive background check and drug test.
