

Mining Properties for Sale

Greenstone Creek - In the Ruby Mining District. For sale 13 State of Alaska claims enclosing 760 acres of placer and lode claims. The hillside placer ground is very shallow to bedrock. I deal for a small placer operation and hardrock exploration. The extensive list of equipment includes dozers, excavator, loader and many more items. 767 troy ounces of coarse gold was mined in two recent seasons. A potential resource of >900 ounces from 35,000 bank cubic yards of pay gravel (0.03 oz/bcy) has been outlined by test pitting for production in 2020. Fully permitted through 2023. The portable camp of three trailers and one RV motorhome and can comfortably accommodate up to 7 persons. Small generators provide electricity to all buildings. Start mining or detecting gold nuggets this summer. Complete purchase required. Motivated seller. **Asking \$1,000,000 for the placer, lode, camp and all equipment.** Contact Jim Halloran (agent) at augeojim@yahoo.com for more information.

Kenai Gold Claims - Fifteen 40-acre state claims in two groups of placer ground with great access and off the road parking. All the claims would be great for suction dredging and high banking. Some of the claims have enough low bench ground for heavy equipment operations. They have not ever been mined to any significant degree. They have been held for decades in speculation, but they have a mining history. Hope-Sunrise Mining District. Good gold on every claim. No equipment and no permafrost. **Thirteen thousand dollars per claim or a better rate on groups of claims.** Sold in two or more claim groups only. About 70 highway miles from Anchorage. Contact: augeojim@yahoo.com for more information.
